SEASONAL PARK MAINTENANCE Supplemental Employment Questionnaire

Name _____ Date _____

Position applied for _____

Below are the questions relating to park maintenance activities which will provide information about your experience, training, and qualifications in landscape and park maintenance. Your response to these questions will be evaluated along with information from your application. Your writing skills will NOT be evaluated.

1. What experience do you have in park maintenance or in construction work?

2. The Parks have restrooms that require daily cleaning. List five things you would do to maintain the restrooms.

3. What power tools or equipment can you operate? What would you do before using a tool that you are not familiar with using?

4. What experience have you had in pruning shrubs and trees?

5. List experience you have had installing or repairing irrigation systems.
