POOL MAINTENANCE

Supplemental Employment Questionnaire

Name _____ Date _____

Position applied for _____

Below are questions relating to pool maintenance activities which will provide information about your experience, training and qualifications in pool maintenance. Your response to these questions will be evaluated along with information from your application. Your writing skills will NOT be evaluated.

1. What special skills, licenses, education or training do you have which relates to pool maintenance?

2. What special tools or equipment related to pool maintenance can you operate proficiently?

3. What experience have you had in operating and performing preventative maintenance on pool heaters?

4. Briefly list experience and/or training you have had installing or repairing irrigation and plumbing systems.

5. Explain the purpose of a skimmer weir. Draw a picture if necessary.
