Enrollment Procedure

All participants are required to complete a current Enrollment Packet and pay a \$62.50/\$50 (District Resident) annual membership fee (non-refundable) prior to participating in our program. We can take a maximum of 90 students per day. If our enrollment reaches max capacity the center will start a waitlist and if spots become available waitlist families will be contacted. Registration fees for first month of program are due at the time of registration.

Hours

Our program is open Monday-Friday from school dismissal until 6:00pm on all school days. We currently follow the MDUSD school calendar for our operating days. Based on staff availability and participant interest, we may offer full day programs during school breaks and teacher-in-service days. Registration and fees structure for full day programs are separate from the Afterschool Program.

Participant Responsibilities and Code of Conduct

All participants and parents must agree to the Code of Conduct outlined when signing up for the teen center membership. Disciplinary action for violations of the code of conduct can range from, but is not limited to reprimands, behavior reports, being sent home from center at the parents' expense, and suspension.

Pleasant Hill Recreation & Park District reserves the right to terminate the membership and participation of any individual whose behavior violates any safety rules or standards or places The Teen Center in an unfavorable light.

Registration Payment Procedure

Registration payments are based on the number of days you indicate your child will attend. Registration will open on the 15th of the month for the preceding month. Payments will reflect the Payment Contract and staff will auto register your child for you using the saved credit card on file. Cash or check payments can be made with staff at the front desk of the Teen Center and are due by 5pm. The District **does not** allow/accept split payments from multiple payers for the same enrollment periods for any of our Youth Service programs. If parents wish to rotate between monthly payments, a payment contract can be developed for the entire length of the school year on a case by case basis.

Payments

If you choose to do a Teen Center Payment Contract for auto-billing please inform a staff member, prior to the 14th of the month if you wish to modify your schedule for the upcoming month or the days selected for the previous month will be followed. For online registration, please follow the payment registration link that will be forwarded to you from the Teen Center. Please register by the 20th of the month for the next month. We will open registration for new program participants on the 20th if spaces are available.
