In accordance with District's Notice Inviting Bids, the undersigned Bidder hereby proposes to furnish all materials, equipment, tools, labor, and incidentals required for the above stated project as set forth in the Contract Documents, and to perform all work in the manner and time prescribed.

Bidder declares that this proposal is based upon careful examination of the work site, Project Plans, and other Contract Documents, including the Notice Inviting Bids, this Proposal, the Contract, Special Provisions or Conditions, Technical Provisions, General Conditions, Appendices, and Standard Plans & Specifications. If this proposal is accepted for award, Bidder agrees to enter into a contract with the District at the unit and/or lump sum prices set forth in the following Bid Schedule. Bidder understands that failure to enter into a contract in the manner and time prescribed will result in forfeiture to the District of the Bid Security accompanying this proposal.

Bidder understands that a bid is required for the entire work, that the estimated quantities set forth in the Bid Schedules are solely for the purpose of comparing bids, and that final compensation under the contract will be based upon the actual quantities of work satisfactorily completed. It is agreed that the unit and/or lump sum prices bid include all appurtenant expenses, federal, state and local taxes, royalties, and fees. In the case of discrepancies in the amounts bid, unit prices shall govern over extended amounts.

Bidder agrees and acknowledges that it is aware of the provisions of Section 3700 of the Labor Code, which requires every employer to be insured against liability for worker's compensation or to undertake self-insurance in accordance with the provisions of that code, and that the Bidder will comply with such provisions of that code before commencing the performance of this Contract if awarded it.

Bidder certifies to be properly licensed by the State of California as a contractor to perform work of this specialty. The undersigned agrees to furnish the District satisfactory proof of ability to perform the work, as well as records of performance of similar jobs completed recently, if and when requested to do so by the Project Manager.

Bidder agrees that the applicable insurance and bonding requirements can and will be fulfilled.

Bidder declares that the only persons or parties interested in this proposal as principals are those named herein; that no officer, agent, or employee of the District is personally interested, directly or indirectly, in this proposal; that this proposal is made without connection to any other individual, firm, or corporation making a bid for the same work; and that this proposal is in all respects fair and without collusion or fraud.

Bidder certifies that in all previous contracts or subcontracts, all reports which may have been due under the requirements of any District, State, or Federal equal employment opportunity orders have been satisfactorily filed, and that no such reports are currently outstanding.

Bidder certifies to have verified that it and all subcontractors used on this public work project are registered with the DIR in compliance with Labor Code sections 1771.1 and 1725.5, and Bidder shall provide proof of registration for both itself and all subcontractors to the District.

Bidder agrees that it and all subcontractors used on the public work project shall furnish payroll records specified in Labor Code section 1776 directly to the Labor Commissioner in the manner required by Labor Code section 1771.4.

Bidder certifies that it and all subcontractors used on this public work project are in compliance with California Air Resources Board's In-Use Off-Road Diesel-Fueled Fleets Regulations (Cal. Code Regs., title 13, section 2449), and Bidder shall provide a valid Certificate of Reported Compliance for Bidder's own fleet and for any subcontractors' fleet, unless exempt from the regulations.

Bidder shall guarantee all work for a period of one year from project acceptance. The guarantee shall be in the form of a Maintenance Bond (10% of completed work cost) to be provided to the District prior to project acceptance.

Bidder has carefully checked all of the figures in the Bid Schedule and understands that the District shall not be responsible for any errors or omissions on Bidder's part in making up this bid. Bidder agrees that this bid may not be withdrawn for a period of sixty (60) calendar days from the date of the bid opening and that the District reserves the right to reject any or all bids, waive any informality in bids received, and may at its option make the award that in the judgment of the District is to the best interest of the District.

**NOW, THEREFORE**, if Obligee shall make an award to Principal for said work of improvement according to the terms of such bid, and Principal shall duly execute, or cause to be executed, and delivered to Obligee the Contract, bonds, and evidence of insurance coverage as, and within the time required by the Standard Contractual Requirements, then this obligation shall be null and void; otherwise, it shall remain in full force and effect.

No extension of time granted to the Principal and no change or alteration in any of the terms of the bid or the bid requirements, whether made after notice or note, shall release or otherwise affect the obligations of the Surety hereunder, and the Surety waives notice of any such extension, change, or alteration. The Surety, by the execution of this bond, represents and warrants that this bond has also been duly executed by the Principal with proper authority, and the Surety hereby waives any defense which it might have by reason of any failure of the Principal to execute this bond.

In the event suit is brought upon this bond by the Obligee and judgment is recovered by the Obligee, court costs, including reasonable attorney's fees, shall be an additional obligation of this bond for which Principal and Surety shall be liable.
