# Hello

## Michelle Lacy General Manager

Dear Friends,

Seventy-five years ago, a group of local parents and Principal John Moiso of Pleasant Hill Grammar School formed a Recreation Council to bring parks and after-school activities to Pleasant Hill kids. Their goal simple but powerful: create more ways to improve quality of life not just for kids but also for people of all ages through recreation, connection, and community. At the time, Pleasant Hill wasn't even a city yet, so they took it to the community in a special election on January 19, 1951. The voters said yes, creating what became the Pleasant Hill Recreation & Park District.

Today, I'm proud that we continue to carry on that vision. Through our programs, events, parks, and facilities, we strive to make Pleasant Hill the best place to live, work, and play. I'm proud of our commitment to play for all, and I'm proud that we foster connections and strengthen our community.

This latest issue of our recreation guide, *The Spotlight*, is your gateway to everything happening this spring and summer. One side of the catalog highlights our summer camps, from full-day adventures to engaging half-day specialty camps, plus swim lessons. The "flip" side features our regular programs, classes, and events for all ages.

As you browse and join in these activities, know that you're not just signing up for a fitness class, swim team, or camp—you're stepping into a 75-year tradition. Thank you for supporting recreation in our community. This summer, pool admission for public swim will once again be FREE for all ages as a small token of our appreciation.

We hope you'll celebrate this diamond anniversary with us throughout the year.

Best regards,  
Michelle Lacy, General Manager

**Our Vision:** To be the leaders in providing WOW! experiences every day.

**Our Mission:** Put people first.
