Building community, one home at a time.

Home Match Contra Costa County helps connect homeowners with people seeking an affordable place to live. Homeowners benefit from additional income, companionship, or help with chores such as grocery shopping, pet care, or transportation. Home seekers of all ages who live, work, or study in Contra Costa County benefit from affordable rent and the opportunity to become part of a community.

Home Match connects people based on lifestyle and interests to ensure compatibility. Our staff screens applicants through interviews, background checks, and home visits. Staff also helps design a comprehensive Living Together Agreement and continues to work with both parties, even after the match is made, offering on-going support.
